Project: Test Plan	
Course: CSD 380	
Description: Test Plans	
Date: 6/22/25	

For each test, the developer should: provide a test description, a test objective, the developer name and date tested. For each step, fill out the actions to be taken and describe the expected results, and indicate yes or no for each step depending upon the result. The peer tester should provide their name, date tested, indicate yes or no for each step depending upon the result, and a screenshot (thumbnail) of the result.

Test 1	**Create a new todo task item**			
	Test Objective: Create a new todo task item	**Developer:** Keanu Foltz **Date tested:** 2025/6/20	**Peer tester: Steve Stylin** **Date tested:** 2025/06/21	
Step	**Action**	**Expected results:**	**Developer pass/fail**	**Tester pass/fail**
1	Click task text box	Text box shows it is ready to accept user input	yes	Pass
2	Type new task item in text box	Text box allows user to type new task	yes	pass
3	Click “add task” button	Task is added to Todo list	yes	Pass
Comments	Text box shows that user input is ready to be accepted and accepts user input. Clicking the add task button adds the task to the list, everything works as expected			

Test 2	**Delete a todo task item**			
	Test Objective: Delete a todo task item	**Developer:** Keanu Foltz **Date tested:** 2025/6/20	**Peer tester: Steve Stylin** **Date tested:** 2025/06/21	
Step	**Action**	**Expected results:**	**Developer pass/fail**	**Tester pass/fail**
1	Click the trash can button on a task in the todo list	Task is deleted and does not appear in list	yes	Pass
Comments	Once the trash can button is clicked the task is deleted and doesn't appear in the list. Might be better if there was an "are you sure?" pop up before deletion			

Test 3	**Edit a todo task item**			
	Test Objective:	**Developer:** Keanu Foltz **Date tested:** 2025/6/20	**Peer tester: Steve Stylin** **Date tested:** 2025/06/2021	
Step	**Action**	**Expected results:**	**Developer pass/fail**	**Tester pass/fail**
1	Click the edit button on a todo task item	Todo task item is shown as ready to accept user input/edits	yes	Pass 	Alter todo task text	Todo task text is changed	yes	pass
3	Click the save button	Changes made to todo task are saved	yes	Pass 
Comments	Tasks can be edited without issue. Adding an “are your sure you would like to save changes” pop up might be ideal for user experience

Test 4	**Prevent users from submitting a task form without entering a todo item**			
	Test Objective: **Prevent users from submitting a task form without entering a todo item**	**Developer:** Keanu Foltz **Date tested:** 2025/6/20	**Peer tester: Steve Stylin** **Date tested:** 2025/06/21	
Step	**Action**	**Expected results:**	**Developer pass/fail**	**Tester pass/fail**
1	Click on “add task” button	Nothing is added to todo list	yes	pass
2	Click on text box and click “add task” button without entering a task	Nothing is added to todo list	yes	Pass
3	Type in a task, then delete it completely and click “add task” button	Nothing is added to todo list	yes	Passs Comments	Passes the test completely. When a todo item is not entered, the task cannot be submitted.			

Test 5	**Prevent Users from submitting a task form without entering todo item**			
	Test Objective: **Prevent users from submitting a task form without entering a todo item**	**Developer:** Keanu Foltz **Date tested:** 2025/6/20	**Peer tester: Steve Stylin** **Date tested:** 2025/06/21	
Step	**Action**	**Expected results:**	**Developer pass/fail**	**Tester pass/fail**
1	Click on edit button for a todo task item	Todo task item shows that it is ready to be edited/accept user input	yes	Pass 2	Delete all text in todo task item	All text should be deleted	yes	Pass 3	Click “save” button	“Save” button cannot be clicked, nothing happens	no	Pass Comments	Does not pass the test. Users are still able to submit an empty task.
